As with many other websites, the web servers used to operate the Site may automatically collect certain data pertaining to you, including your location, computer operating system, Internet Protocol (IP) address, access times, browser type and language, and the website you visited before or after visiting our Site. For security reasons and to confirm the integrity of the Site, we and our third-party service providers, including third-party vendors, consultants, and other service providers who work for us (our “Contractors”) may combine components of these data with personal information, which may identify you. Unless otherwise described in this Privacy Policy, such identifying information will be used solely for our business purposes. They may use this information to provide you with interest-based (behavioral) advertising or other targeted content. We do not control these third parties’ tracking technologies or how they may be used. If you have any questions about an advertisement or other targeted content, you should contact the responsible provider directly. Please note that we currently do not employ technology that recognizes “do-not-track” signals.
